1. Can we figure this out beforehand, so we start w this person taking notes? Chris you interested? Does not need to be a vote since nobody has volunteered.
2. I don't think we need to determine. Terry already relayed the info. Mindy — you are more than welcome to attend — but based on the official RVA guidelines, it appears as though we cannot have non-RVA board as a part of the subcommittee.

 - c. Next steps
4. Bollards
