RESOLUTION MSA20170903-01 (10 YES votes counted by Lorry):

The Riviera Village Association (RVA-BID) agreed to support the position of the Strategic Planning Committee to focus on converting intersections to Roundabouts and a southbound 1-way street on Catalina Ave between Avenue I and Elena (or Palos Verdes Blvd depending on results of traffic study) as the priority project for Riviera Village as doing so would (per statistics) make the Riviera Village safer for pedestrians, more efficient for vehicle traffic, create a bike lane and encourage more outdoor dining/dining decks within the village.
